Hi Patrick – sorry I've been out on another emergency response. No one from EPA will attend the hotwash as we are planning on attending the hotwash that our Branch Director is hosting.

UC,

I am waiting on US EPA response to availability for Hot Wash. Maggie would it be you or one of the other 4 EPA members from UC attending Hot Wash?

So far it appears the 28th Oct. is the best date we can have members from each UC group pending response from USEPA.
